

# Government

## TAA Compliant iMacs

- No promotional images showing mice and keyboards permitted with iMac, just the display only
- These can only be sold to Federal customers and can be sold through contractors
- Dropship to end-user only
- Non-returnable
- Not visible via shop.techdata.com

## Promo Details

- Must be a government authorized Apple reseller that qualifies for the indirect incentive
- The Federal end user information is required
- If the end user is a contractor, the Federal agency must be identified

*Please see the below list of TAA Compliant iMacs:*
